HAWAII'S LEADER IN OUTSOURCED EMPLOYEE ADMINISTRATION

Bundling all your employee administration into one low price.

Tum Pro
ProService Hawaii is the state's leader in outsourced employee administration. We manage all the time-consuming, non-revenue generating employee administration functions such as payroll, health benefits, workers compensation and 401(k) management for over 500 businesses statewide.

By using our outsourced solution, you pay hundreds of companies, statewide, who are partnering with ProService to lower employee administration costs and provide their 5,000+ employees with a professional human resource team.
